

As of this **Monday, August 23rd**, the Town of Sharon has instituted an indoor face covering mandate. Click the link below to read the details on the Town's Facebook page:

This means that anyone who enters the Shul building **MUST** wear a face covering. If you come without one, we will be happy to provide one for you.

Additionally, I would like to remind all of our shul goers that for the safety of everyone

- if you have been exposed to someone with Covid-19 OR
- if you are experiencing any of the symptoms of Covid-19 or any other infectious disease...

PLEASE REFRAIN FROM COMING TO SHUL

May Hashem bless all of you and yours with long lives and robust health!
